VII Campament de músiques 2025

1. Presentation of the organizing entity

This year the team will be made up of Pau, Ana, Lidia, Rosa, Manos, Xico, Sara, Bea, Julio, Maria, Miquel, Ash, Diogo, Naiara and some more surprises. As of today, Pau, Irene, Rosa, Xico and Agnès are members. This is the seventh year that we have organized a summer activity as the Taller de Músiques association; a non-profit association with which we want to offer leisure and free time activities with music and the arts.

Before, we also had seven students, monitors, teachers and even directors with the Taller de Flute Dolça Aubarca, references on our island in services to youth since 1996. Our philosophy remains the same: to bring the musical and artistic experience closer to the children and young people of the Pitiüses. This is our [website](#), and here is the [Instagram](#).

Between the association and other volunteers, we are a team of teachers and monitors with experience in the field of formal and non-formal artistic education, and we are very excited about the sixth edition of this project in which we want to bring together artistic practice, with contact with nature in an environment of coexistence, both in Es Cubells, and in Sant Francesc de Formentera. In addition, we share our past experiences with our training, and with other people who develop projects of different types. This year Ash will accompany us as an internship monitor.

2. Presentation of the management team, teachers and monitors

You can find all the equipment in great detail on our website.

3. Facilities and surroundings

The activities will take place at the [Centre d'espiritualitat Santa Teresa](#) in July and early August, and at the Sant Francesc [Hostel](#) and [Music School](#) in August. In addition, we will take advantage of the natural surroundings that surround the facilities to carry out different excursions.

4. Responsibilities and contact

As every year, insurance is maintained with Catalana-Occidente SA, to cover accidents and civil liability for the activity. The respective policies are T-04214447 and T-04200474.

10. Group of parents

As last year, the Association is rethinking the relationship between parents and the camps. Observing what has often happened naturally in previous camps and taking practices from other modern pedagogies, we have decided to open a space for parents to collaborate in our work during the camps. We know that summer is sometimes very intense for most, but if anyone would like to participate in some volunteer work or offer a workshop to the children, it would be very welcome.

Write to us if you are interested in this proposal.

11. Payments and discounts

When making the payment it is important that you indicate the child's name and surname. Remember that we have 4 types of discounts:

Associació Juvenil
Cif G16631913
C/ Gaspar Puig nº6 6è-2ª
07800, Eivissa

10% "Early Bird" (start of registrations).

10% for the brother or sister of another participant.

10% for each extra activity you sign up for.

10% for single-parent families.

10% Any type of functional diversity.

5% for residents of Sant Josep (only valid at the camps in Es Cubells).

5% for residents of Formentera (only valid at the camp in Formentera).

If more than one discount is accumulated, the largest will be counted and the next will always be 5%. For example: Early Bird + Participant's sibling + Resident of Sant Josep will be applied as follows: 10%+5%+5%. That is, 20% in total.

The Music Workshop reserves funds for families with financial difficulties. No explanation is required, simply call us and we will reach an agreement in exchange for, for example, volunteering or participation of some kind.

In addition, the Music Workshop allocates a portion of the profits to provide wider discounts if someone could not access the activity due to their financial situation. No explanation will be required.

Finally, the [**FIARE BANCA ÈTICA**](#) account number for the deposit.

IBAN ES24 1550 0001 2000 1920 9824

12. External financing

Taller de Músiques for this summer has the institutional and economic support of the Consell d'Eivissa (biennial subsidies for groceries and school supplies), Sant Josep City Council (financing of the concerts at Can Jeroni) and Consell de Formentera (financing of the Formentera hostel).

We are very grateful for all this support.
