VIII Campament de músiques 2026

1st Shift: Es Cubells, from 26th July 26 to 1st August

2nd Shift: Sant Francesc de Formentera, from 31st August to 6th September

1. Presentation of the organizing entity

The *Taller de Músiques* is a non-profit youth service organization that offers leisure and free-time activities in the arts, primarily performing arts, during school holidays in Ibiza and Formentera.

Currently, the association's leadership consists of Pau, Xico, Irene, and Rosa. This is the eighth edition of our summer camps, marking eight years of activities. We also organize other events such as "Setmana de Músiques" (Musicians' Week) during Holy Week, the "Volta de Músiques" (Musicians' Tour), a cycling event, and artistic residencies for young people in collaboration with the [Kesti Klab](#) cultural collective and association.

We are pleased to remember that the association continues the legacy of the *Taller de Flauta Dolça Aubarca*, an organization that was a leading force in artistic leisure and free-time activities on our island since 1996. Our philosophy remains the same: to bring musical and artistic experiences to the children and young people of the Pitiusas Islands. You can find our website [here](#), and our [Instagram here](#).

2. Presentation of the management team, teachers and monitors

We are a team of teachers and instructors with experience in formal and non-formal arts education, and we are very excited about the seventh edition of this project. We aim to combine artistic practice with contact with nature in a community setting, both in Es Cubells and Sant Francesc de Formentera. We also share our past experiences with our training and with others who develop projects of various kinds.

You can find detailed information about the entire team on our website.

3. Facilities and surroundings

The activities will take place at the [Casa de espiritualidad Santa Teresa](#) in July, and at the Sant Francesc [Hostel](#) and [Music School](#) in September. We will also take advantage of the natural surroundings of the facilities for various excursions.

12. Group of parents

As in previous years, the Association is rethinking the relationship between parents and the camps. Observing what has often happened naturally in past camps and incorporating practices from other modern pedagogies, we have decided to create a space for parents to collaborate with us during the camps. We know that summer can be very busy for most people, but if anyone would like to participate in volunteer work or offer a workshop to the children, they would be very welcome.

Please write to us if you are interested in this opportunity.

13. External financing

For this summer *Taller de Músiques* has received institutional and financial support from the *Consell d'Eivissa* (biennial grants for food and school supplies), the Sant Josep Town Hall (funding for concerts at Can Jeroni), Hostal Rosales (for meals in Formentera), and the Consell de Formentera (funding for team transportation).

We are very grateful for all of this support.
